Campus Information

1 Campus location

Training Facility

The Training Facility is located at Level 1, 22 Pulteney Street, Adelaide.

Careers Australia College of Healthcare is located right in the heart of the Central Business District (CBD). The College is close to all public transport services, shops, retail outlets, central markets and directly across the road from Adelaide's Rundle Street Mall.

Living in Adelaide

The capital of South Australia, Adelaide is home to 73 per cent of the state's population and is Australia's fifth largest city. It's the cultural, political and social epicentre of South Australia.

Adelaide is proudly hosting 20,000 international students who see our city as a means to a rewarding career path and a fulfilling life. They're embracing the opportunities to be had in a modern Western metropolis - earning international-respected qualifications, working alongside some of the world's most influential companies and learning the ways of an English-speaking culture.

Careers Australia College of Healthcare invites you to make **ADELAIDE** your city and embark on the future you deserve.

The Adelaide Metro website provides useful information on getting around Adelaide on public transport: <http://www.adelaidemetro.com.au>

2 Campus facilities

Careers Australia College of Healthcare provides the students with an open, safe and friendly learning environment. Lecture rooms are equipped with a television, video recorder, DVD player, overhead projector, projector screen and data projector and whiteboard. Other resources are accessed on a needs basis, including relevant nursing medical equipment. A student reference library and student computers are available for student use.

3 Additional Information

Accommodation

For international students, we understand it is important for you to be in a living situation that supports both your study priorities and lifestyle. And Searching for permanent housing in an unfamiliar city can be a time consuming and stressful process. However, it's no doubt that finding the right accommodation is closely tied to your academic success.

Securing comfortable, affordable accommodation, in a convenient location with the right people can take time, and the Careers Australia College of Healthcare International Marketing office recommends you begin your search well before your first day at College.

If you have never lived away from home or are new to Adelaide or Australia, you may have lots of questions about finding a place to live. Before you begin searching, you'll need to work out your priorities – what you can afford, how important it is for you to be close to campus and what your living requirements include.

As an international student, you are responsible for your own day-to-day living costs. These costs can vary enormously from one student to another. In the table below we try to let you know what expenses you might be exposed to but these are only a guide.

Establishment costs
Bond (one month's rent) + 2 weeks rent in advance (6 weeks rent in total)
Telephone / gas, electricity connections / Water rates / Internet connection
General establishment (furniture, manchester, kitchen etc)
Other costs
Books, stationery and equipment
Clothing
Personal costs
Rent (can range from \$70 per week to \$250 per week)
Food (lunch Mon - Fri)
Household costs (food, power, phone)
Travel expenses (to and from home or city)
Miscellaneous (entertainment, personal items etc)
Mobile phone charges
Motor vehicle expenses (registration, insurance, petrol)

There are a number of accommodation options available for students studying in Australia. If students require assistance in arranging accommodation they may contact the College and request support in locating suitable accommodation.

The cost of accommodation and living expenses in **Adelaide** is amongst the **lowest** of any capital city in Australia. Options available can include Homestay (living with an Australian family), student apartment accommodation, rental unit/townhouse or house.

Rents can vary depending on the location, size (2 bedrooms, 3 bedrooms etc) and facilities (lock up garage, built in wardrobes, air conditioning etc). Many students in Australia live in an apartment or a house with other students, sharing the cost of gas, electricity and sometimes food.

Other types of accommodation for students include private board, hostels and guest houses. Again, costs will vary depending on the location and the facilities available.

Below are some examples and an indicative guide to costs:

Homestay (with full board and meals)	AUD\$150 - \$250 per week
Boarding hostels	AUD\$ 90 - \$120 per week
Shared rental accommodation	AUD\$ 80 - \$150 per week
Rental accommodation	(from) AUD\$150 – per person per week

Real Estate Agents

The Accommodation Service recommends that students begin to research options in the private rental market well before they arrive in Adelaide so that they can form realistic expectations.

It is important that students are able to identify what type of accommodation they would prefer, in which location at what price position. Being able to answer these questions will reduce the time it takes to find suitable accommodation on arrival.

Health and Emergency Services

All international students coming to Australia on student visas are required to have Overseas Student Health Cover. The College ensures all students are covered with Australian Health Management Group Limited as part of their College fees.

While this cover provides financial assistance towards doctors and some hospital services, it does not cover dental, physiotherapy or optical services. **See:** www.ahm.com.au/oshc for more information from ahm.
